

K-LOVE radio is an inspiration to me and my family everyday. It holds me accountable to my spirituality and Christian disciplines while uplifting my heart and spirit with wonderful music and convictions. K-LOVE is a joy in my heart, but its most valuable purpose is to bring Christians near and/or nearer to the Lord EVERYDAY! If K-LOVE were to be displaced by an LPFM broadcaster with other programming we would miss the Christian value and EXAMPLE it brings to our community. K-LOVE is listened to by many individuals, of all shapes, sizes, ages, and races, and does not exclude anyone. Moreover it INCLUDES everyone and displays music and values that can minister across the community and serve as a positive influence. Choosing the right thing can sometimes be hard, but choosing to listen to K-LOVE is easy and non-threatening, so its ministries in our community have been vast. This radio station is one of the few things in today's world that reflects and encourages doing what is right and living according to the Holy Spirit. The question isn't "what will happen if K-LOVE is replaced by LPFM?"...instead, the question is, "what would our community and society MISS as a result of K-LOVE being gone?"
